Sir:

The undersigned Petitioner, Steven E. Kahm, represents that he is a registered attorney and the agent of record in connection with the above-entitled patent application, and that the named applicants own the entire interest in and to the patent application and the invention described and claimed therein.

Your Petitioner, on behalf of the applicants, hereby disclaims the terminal part of claims 1 and 2 of the patent granted on the above-identified application which would extend beyond the expiration date of U.S. Patent No. 6,601,312 and hereby agrees that claims 1 and 2 of the patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,601,312 under 35 U.S.C. 120. This Terminal Disclaimer applies to any patent granted on the above-identified

application or on any application which is entitled to the benefit of the filing date of this application under 35 U.S.C. 120. This disclaimer is binding upon the grantee, its successors or assigns.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: June 3, 2005.
